Fearfully and wonderfully has the Creator wrought in the human frame, and He bids us make it our study, understand its needs, and act our part in preserving it from harm and defilement.

Ministry of Healing, 271

Across the page is a 28-day Bible and Spirit of Prophecy reading plan designed to guide young people in their studies of the Scripture. The Metro New York World Ministry Youth Department has selected health as the theme for August 2014. It is our earnest hope and prayer that this resource for further study will not only develop your individuality — the power to think and to do — but also empower you to do something for God in medical ministry.

To use this study, cut out the bookmark along the thick blue border. Then fold your bookmark on the dotted lines. Now you can keep it in your Bible for ready access.

Feel free to print more of these and share with your family, friends, and church members. Consider starting a weekly study club to review what you have been reading!
