

2014: Employing Our Rich & Unique Adventist Heritage in Service to Others

## Messages to Young People

YOUTH & YOUNG ADULT SERVICE / Thursdays @ 8:00pm EST

For the month of January 2015, the Metro New York World Ministry Youth Department is focusing on the sanctuary. This year's theme is "Repairing the Breach. It is our purpose to uncover what the breach is and how you can be a part of God's reconstruction crew.

In addition to readings from the Bible and *The Great Controversy*, or GC, we suggest that you read the writings of Adventist pioneers throughout this year. This month's study guide includes an article on the sanctuary (SANC) by O.R.L. Crosier, which can be accessed via [EGWwritings.org](http://EGWwritings.org).

For additional study, you can download a commentary on Hebrews written by M.L. Andreason from [MetroMensPM.com](http://MetroMensPM.com). You may even consider starting a study group on the book of Hebrews!

To use this study, cut out the bookmark along the thick orange border. Then fold your bookmark on the dotted lines. Now you can keep it in your Bible for ready access.

May you learn more and more of the beautiful truths that our church holds.
