Section: Introduction

Speaker: Pastor Kent Millard

- 1) Theme of the book The Great Controversy - This world is fully involved in a great controversy between good and evil - between Christ and His angels and Satan and His angels.
- 2) The audience to whom the book is dedicated:
 - a) Anyone who will listen to its message
 - b) To the 144,000 who will be translated at the end of time - this book is their handbook and manual of instruction
- 3) The authority and inspiration of the Bible
- 4) The authority of the book The Great Controversy is based on the fact that Ellen White was directly inspired by the Spirit of God to write this book and she received this information directly from the Spirit of God
- 5) The great controversy will increase in intensity to the very close of time - because of this - the information in this book is absolutely essential for God's people to receive because it will endow them with the spiritual strength to stand faithful thru the climax of the great controversy which is just before us.
